ATTCO SPOT 100

75w LED Spot Moving Head

JMAZ ATTCO SPOT 100 Make the best impression at any event short or long distance, small or large coverage area. The ATTCO SPOT 100 from JMAZ lighting is your best choice! Compact, lightweight and low power consumption will allow you to put on a great performance. Featuring a powerful 75W LED producing sharp colored beams is no problem and the customizable gobo wheel is sure to make you stand out! Split the colored beams, split the gobos or combine the two, the ATTCO SPOT 100 also features a 3 facet prism for a more impressive show to cover larger areas. Operation modes include 11 or 13 channel DMX, AUTO with existing built in light shows, SOUND ACTIVE, linked via MASTER/SLAVE or the included RF remote control from anywhere in the room. The options are endless and the light is intense, there is no doubt the ATTCO SPOT 100 is a must have! Perfect for lighting designers, DJ's, Bands, Clubs, Bars and installations where small footprint and low weight is critical.
